

# Wasi Haider

Software Engineering & Web Development | Bhopal, Madhya Pradesh | haiderwasi2263@gmail.com | +91-9798674832

## SUMMARY

Dedicated Computer Science student aspiring for Software Engineering/Full-Stack Web Development roles. Skilled in Java, Data Structures & Algorithms (DSA), and MERN stack technologies. Hands-on experience in building scalable, interactive web applications with a focus on clean code, performance, and security.

## EDUCATION

**SAGAR INSTITUTE OF SCIENCE AND TECHNOLOGY**  
B.Tech(Computer Science and Engineering)

- CGPA: 6.96 / 10

Bhopal, Madhya Pradesh  
2022-2026

**SRI RAMKRISHNA SARADA ASHRAMA,VIVEKANANDA CENTRAL SCHOOL**  
12th | CBSE

- Percentage: 65.80 / 100

Hazaribagh, Jharkhand  
2021

**SRI RAMKRISHNA SARADA ASHRAMA,VIVEKANANDA CENTRAL SCHOOL**  
10th | CBSE

- Percentage: 75.20 / 100

Hazaribagh, Jharkhand  
2019

## PROJECTS

**ECHOAI**

Full-Stack AI Virtual Assistant (Web Application)

- Technology: React | Node.js | Express | MongoDB | Gemini AI | Web Speech API | JWT | bcryptjs | Multer | Cloudinary | Render
- Developed a JARVIS-inspired AI Assistant using Gemini AI and Web Speech API for real-time interaction. Implemented secure authentication (JWT, bcrypt), integrated media management (Cloudinary, Multer), and deployed on Render for scalable hosting, enhancing user engagement.

**EMPLOYEE TASK MANAGEMENT SYSTEM APP**

React-based web application

- Technology: React.js | Tailwind CSS | LocalStorage
- Developed a task management web app using React.js & Tailwind CSS with LocalStorage for persistent data storage. Enabled role-based authentication (Admin/Employee) and streamlined task assignment, tracking, and performance monitoring.

## CERTIFICATIONS

**ORACLE CLOUD AI FOUNDATIONS (2025) – ORACLE UNIVERSITY**

Certificate-ID 102315964OCI25AICFA

- Certified in AI, ML, Deep Learning & Generative AI fundamentals on Oracle Cloud

**JAVA PROGRAMMING (2025) – NPTEL**

Certificate-ID NPTEL25CS57S1242802433

- This NPTEL course encompasses the fundamental principles of Java programming, including object-oriented concepts, data types, control structures, classes, inheritance, and exception handling, thereby establishing a robust foundation for software development.

## ACHIEVEMENTS

- Achieved 1st place for Best Performance in a Dramatic Role at a theatrical event, acknowledging outstanding acting skills and stage presence, held at Vivekananda Central School, Hazaribag.
- Received 'Man of the Match' recognition in a football tournament organized by WMFT Hazaribag, contributing to the team's victory and securing a prize of 52,000.

## SKILLS & LANGUAGES

**Skills:** Java Programming & OOPs Concepts (Intermediate), Data Structure & Algorithm (Intermediate), Front-End: HTML, CSS, JavaScript (Intermediate), React.js & Redux (Intermediate), Tailwind CSS (Intermediate), Back-End: Node.js, Express.js, MongoDB (Intermediate), Git & GitHub (Version Control) (Intermediate), AI & ML (Beginner), API Integration (Beginner), Testing & Debugging (Beginner), Agile (Beginner), Deployment (Render) (Beginner).

**Soft Skills:** Business Acumen, Management, Communication Skills, Leadership.

**Languages:** English, Hindi, Urdu.
